Best Thanksgiving restaurants in Palm Beach County, dine-in or take-out

By Eddie Ritz

Sure, some of you have those mad, Martha Stewart-like skills and can't wait to show off this Thanksgiving with that perfectly brined and roasted bird that was humanely raised on a picturesque farm in upstate New York and has its own Instagram page.

That's so sweet. Now return to reality, because most of us, whether for lack of time, energy or talent, have decided we will be steering clear of the kitchen this holiday.

Thankfully (get it? Thankfully!?), we're in Palm Beach County and have not one but several great options for either going out on Thanksgiving or picking up that perfect meal to serve at home

Bourbon Steak, Delray Beach

For the holiday, Bourbon will offer a refined take on classic Thanksgiving flavors featuring roasted Heritage turkey with prosecco–cranberry sauce, truffle gravy and maple sweet potatoes for \$54. Top the meal off with classic pecan pie for \$14.

Details: 1000 E. Atlantic Ave., Delray Beach. [bourbonsteakdelray.com](https://www.bourbonsteakdelray.com)
